FROM THE CHAPLAIN

TELL HIM NOW!

If with pleasure you are viewing any work a brother's doing; if you like him or you love him tell him now!

Don't withhold your approbation Till the parson's grave ovation as he lies with snowy lilies o'er his brow.

Makes no matter how you shout it he won't really care about it -He won't know how many tear drops you have shed.

More than fame and more than money is the comment, kind and sunny and the unmistakable handshake of a friend.

If you think some praise is due him now's the time to tell it to him -for he cannot read his tombstone once he's dead.

FROM THE EAST

Greetings Brethren,

THANK YOU BRETHERN AND YOUR FAMILY'S OR LOVED ONES!

It is all together fitting and proper that I should start my final trestle-board with a *thank you* to all my brothers, the officers, and your family's or loved ones for ALL your dedication, time, and support to West Broward, the craft, and too Masonry. This has been a year that I will treasure and remember always – one in which we raised many new brothers, are experiencing a surge in those interested in and joining the craft, have many of our own brothers serving in many State and District positions, and have come together at many fellowships to enjoy the friendships, experiences, and company of one another – truly what masonry is all about. I would also like to extend a THANK YOU to all my brothers that have gone above and beyond this year: Ed Hedden P.M. and P.D.D.G.M. Glenn Gomez P.M. for their countless hour to West Broward, Phil Slack P.M. for putting all the fellowships together, and Rob Estell P.M. for his lectures, Brother Fernandez for his work with the web site, and my wife Cheryl for her understanding and time. (If I missed someone please accept my apologies)

It is hard to believe that this year has come and gone so fast, for this was a time I wanted to seem to last a lifetime. During my journey through the line I have noticed that as I improved in Masonic knowledge, I have improved in many aspects of my life, and I endeavor to carry on in both.

But now it is time to join the past masters on the side and watch, support, educate (and of course point out every little mistake as the past masters so cheerfully do ☺), the new line. I cheerfully join the ranks of the Past Masters and reflect back on this time not as an end, but as a new beginning in Masonry. West Broward has the finest line of officers that will continue to make us proud, and I wish Worshipful Elect Hernandez all the best in his year!

IT HAS BEEN A WONDERFUL YEAR WITH A TRULY GREAT GROUP OF BROTHERS – FRIENDS – THAT I WISH ALL THE BEST!

Fraternally,

W. Brian Chartrand
